

Using Loan Prospector's Merged Credit Report Options Setup Process for Existing Credit Reporting Company (CRC) Clients

Although you have an existing relationship with a CRC, for the ability to use Loan Prospector's Merged Credit Report options, you have to activate your account to accept Reference Numbers through Loan Prospector. Follow these instructions to have your account activated in Loan Prospector:

1. Complete the required information listed below. If you do not know your Freddie Mac Seller/Servicer or Third-Party Originator number, please contact Loan Prospector Customer Service at:

Freddie Mac Sellers/Servicers: (800) FREDDIE
Third-Party Originators (TPO): (888) LP ON WEB

List of additional data needed by CRC's for Loan Prospector Setup:

CRC Required Fields	
FM Seller Name #	
FM TPO Name #	
Credit Reporting Company (CRC)	
Your Existing CRC Acct. Number	
Your Existing CRC Password	
Your Institution Name	
Address	
Business Primary Contact	
Primary Contact Phone	
Primary Contact Fax	
Primary Contact Email	
Technical Affiliate Used (if applicable)	
Freddie Mac Branch Code (if applicable)	
Loan Origination System (LOS) Used (if applicable)	

2. Third-Party Originators, please confirm with your wholesalers which CRC's you need to have activated* to use Loan Prospector's Merged Credit Report options.
3. Contact each CRC you will be accessing through Loan Prospector, find their contact information at <http://www.LoanProspector.com/about/crc.html>.
4. The CRC will notify you once your activation is complete.

* The above additional requirements assume that there is an executed CRC Client Information Form/Agreement on file with the CRC.
